FLUTTER DEVELOPER

Mobile: +91-8590438857

Email: dipsonpaul202@gmail.com

SUMMARY

A responsible and organized Computer Science graduate with experience in Flutter app development. Developed the Healthy Fish app and contributed to multiple projects, gaining hands-on expertise in mobile app development. Currently working at S Technologies as a Junior Flutter Developer and Trainer, where I actively participate in software development, IT operations, and mentoring aspiring developers. Passionate about creating efficient and user-friendly applications while continuously improving my technical skills.

Work Experience

JAN 2025
